Shaping the Future of Airport Experiences

About

Abu Dhabi Airports

Abu Dhabi Airports (AD Airports) is an airport company that provides optimal links to connect the Emirate of Abu Dhabi to the rest of the world.

We are the owner and operator of Abu Dhabi International Airport and Al Ain International Airport. We also operate Al Bateen Executive Airport, Delma Island Airport and Sir Bani Yas Airport on behalf of the Government of Abu Dhabi.

Through the operations of the main hub, Abu Dhabi International Airport, and other airports in the Emirate we play an important role in extending the reach and impact of travel and trade for the socio economic growth of Abu Dhabi.

AD Airports is part of ADQ, one of the region's largest holding companies spanning key sectors of Abu Dhabi's non-oil economy.

Range of in-airport products and services designed to serve Passengers at key stages of their journey including lounge services, hotel services, meet & greet among others.

Consultancy Services

Services provided in the area of aviation / airport operations to address ad-hoc consultancy studies based on Government / Related Parties requests.

Our Airports

1

Abu Dhabi International Airport (ADIA)

is the primary gateway to Abu Dhabi and the base airport for Etihad Airways, Wizz Air Abu Dhabi and Air Arabia Abu Dhabi. At ADIA, we operate three terminals on the South Side (Terminal 1-3) and are developing the Midfield Terminal to be the future gateway to the UAE's capital. ADIA offers parallel runway operations with A-SMGSC (Level 3) and Guidance (Level 4 Follow The Green) for low visibility operations.

2

Al Bateen Executive Airports is the general aviation airport for Abu Dhabi located in the city center and serving private jet owners and operators. It is the only dedicated general aviation airport in the region and serves private jets equivalent to Code D (e.g. BBJ 737).

3

Al Ain International Airport is the gateway to Al Ain serving commercial carriers, general aviation, flight training and aerospace related businesses.

4

Delma Airport plays a vital role in the development of Delma Island, linking its local population of approximately 10,000, to Abu Dhabi by providing a high quality transport infrastructure. The flight time to Delma from Abu Dhabi is 45 minutes and it lies only 250 kilometres south west of the capital.

5

Sir Bani Yas Airport operating since 2008, caters mainly to tourists visiting the beautiful natural island. It is located 250km southwest of Abu Dhabi coast in the Western Region and covers an area of 87km. The Island is an eco-resort forming part of the 'Desert Islands' project.

About

Abu Dhabi Airports Free Zone (ADAFZ)

- . ADAFZ, unlike any other free zone in the emirate, lists its proximity to international airports as one of the major advantages.
- . 100% foreign ownership
- . Tax-free business environment with a 0% import/re-export.
- . Home to businesses from a wide range of sectors like aviation, logistics, e-commerce and ICT with many new sectors coming online.
- . Established in 2012 as part of the emirate's economic diversification.
- . ADAFZ manages a property portfolio of over 88 km².
- . Operating at 3 different districts located in Abu Dhabi International Airport, Al Ain International Airport and Al Bateen Executive Airport,

About

Abu Dhabi Duty Free (ADDF)

ADDF is responsible for the operation of the retail, F&B and services concessions at our airports.

In the spirit of Arabian hospitality, ADDF provides a range of sophisticated, tailored services for our passengers arriving, transferring or departing from our airports. We aim to provide our customers with the best possible travel experience.
